### Objectives:

- Focus on creating your vision/mission that reflects accurately the goals of your organization.
- Activate your vision/mission and your commitment to make it happen!
- Explore your current vision/mission: *Is it relevant? Is it clearly understood? Does it translate into daily practice? Are all organizational members held accountable for vision/mission implementation?*
- Use your vision/mission statement as the filter for decision making and how you spend your time, money and talents.
- Review and rewrite collaboratively your vision/mission based on what you have heard today.

\$75.00 ea. Choose '1' or plan to participate in BOTH! \$125.00 Both

## Herding Cats or Dealing With Change...Part II

### Objectives:

- Identify strategies and ideas you are willing to use as an individual and as an organization to deal with change.
- Learn to facilitate change...it is a process, not an event!
- Explore obstacles to change and how you can provide support for people for whom change is not an easy process.
- Examine obstacles to change; think about what will work for you.
- Manage conflict because it means change is beginning to happen.
