Awards of Excellence Program

The WAHSA Awards program is about people. It is about people who make a difference every day in the lives of the people they serve. It is about people who put quality first, who strive to deliver excellence, and who inspire others to do the same.

The WAHSA Awards program is about recognizing those individuals and organizations who have made an outstanding contribution in the fields of aging, health care, housing, and community-based services.

The WAHSA Awards program is our way of saying thank you, in a very small way to those who do more than what is merely expected of them- - they continually strive to “do the right things, for the right reasons”.
